MRS. DOROTHY H. CELLA

DEDICATION

To the many students of Morgan Park High School who have learned to admire and esteem her, Mrs. Cella is the personification of patience, loyalty, cheerful helpfulness, sincerity, and good humor. For three years she has been Senior Class Adviser and for the past four years has worked untiringly with the Annual and Business Staff. In appreciation of the many hours she has given we affectionately but without permission, dedicate this volume to her.

FOREWORD

This, the 1939 EMPEHI, has tried to mirror the events of the past year in an informal way giving the students a picture of everyday life at high school. If this book will bring back fond memories of 1938 and '39 its staff will feel amply rewarded.

PRINCIPAL'S MESSAGE

''THE CRITICAL PERIOD''

John Fiske, the historian, wrote a very significant book on, "The Critical Period of American History." This message is directed to a consideration of a most important period in the lives of young people of our high school.

I wish I might impress upon our young folk the great importance to their future of their years in high school. In a very real sense, this period is the most important time in your lives. Thomas Carlyle once said, "Our clocks strike when there is a change from hour to hour; but no hammer in the horologue of Time peals through the Universe when there is a change from era to era. Men understand not what is in their own hands. As calmness is the characteristic of strength, so the weightiest cause may be the most silent."

Every high school student understands perfectly clearly what is meant by the ringing of the bells around Empehi. But how many have any conception of what is going on in their own lives? What about companionships which are anything but helpful and uplifting? What about ditching school; flouting traditions which the experience of time has regarded as being worthy and in all respects commendable; the formation of habits and attitudes which are harmful and inimical to successful living? These are the great, silent forces in high school which are surely sowing the seeds of failure in the years that lie ahead. Their opposite—wholesome friendships, the habit of hard work, co-operation, and right living are likewise silent influences but they are of tremendous potency. These are the traits which spell success. Let us all be sure we are building our lives in such a way now that there may be no question about the future.

DR. ESTON V. TUBBS

CAPT. GEORGE G. LORENTZ

It requires a rare combination of abilities to hold the position of Assistant Principal dealing with discipline of various degrees of intensity while at the same time showing an inspiration and leadership to the entire student body. Captain Lorentz has completed his twentieth year at Morgan Park High School. This man, with the humorous twinkle in his eye, shows a keen interest in all the student activities. His cheer leading, at which any pep meeting would be incomplete, has inspired our teams on to victory. In his popularity with Empehites he has no peer. It is truly said that around his character the Morgan Park spirit itself is formed.

THE FEBRUARY CLASS OF '39

Empehi's loss in the class of February '39 was the world's gain, for that group combined intelligence and personality.

All class business was managed by an efficient quartette of officers and well-chosen committee chairman. Presiding was Ted Brashler assisted by Jane van Gorkom, vice-president. Efficiently acting as class secretary was Henrietta Fisher and balancing the budget was James Stiggleman, treasurer.

The prom was held in the Grand Ballroom of the Medinah Club with Carl Schreiber's orchestra providing the music. The success of the prom was due to the work of Virginia Nichols and her committee.

The class play under Robert von Behren presented their version of "Cinderella" at an assembly the Wednesday before graduation. A modernized Cinderella presented many entertaining moments.

Under Jane van Gorkom the social committee gave a banquet at Mickleberry's instead of the customary social. Those who attended enjoyed the evening of companionship and entertainment.

The Gift committee headed by Thelma Donop started a fund to provide new curtains for the auditorium. It was hoped that the forthcoming classes and various clubs of the school would add to this fund and make their ideal a reality.

When the seniors received their diplomas and turned to face the world and accept responsibilities, they were sure the memories of the days spent at Empehi were never to be forgotten.

FEBRUARY WHO'S WHO

Joe Greenwood combines the abilities of leadership and high scholastic standing. He was second vice-president of the S. A.; class officer for two years, vice-president of Tau Epsilon, and has worked with the band four years. We know that Joe will be a success wherever the future may lead him.

Virginia Nichols, a girl of unusual personality, has been active in the S. A.; Latin Club, Student Council and the Finance Committee and has held offices in all of these organizations. Her ability as a leader has brought success to all that she has undertaken and will bring her future laurels.

"Tops" in popularity best describes Shirley Nelson. She includes in her career vice-president of the S. A., Interclass Council, Tau Epsilon, Sophomore Class President, the Executive Committee, and Student Council. Her poise and charm will insure for her a hearty welcome in whatever future activities she may undertake.

Dick Thornally, the best all-around athlete that Morgan Park has produced, was captain of the 1938 football team and was chosen as the best center in the city. Dick has been active in baseball, wrestling and was 4B Class President. Lucky will be the university that enrolls you, Dick!

Arthur, Haedtler

THE JUNE CLASS OF '39

The thirty-second class of seniors left the halls and class rooms of Empehi this June.

The business of the graduating class was efficiently handled by the quartet of officers, led by Robert Moore, and was aided by Elaine Kuehne, vice-president; Ardell Arthur, secretary; and Robert Haedtler, treasurer.

As the class preferred a banquet rather than a social, the Social Committee, under Elaine Kuehne fulfilled the desires of the students by arranging the June, 1939 Senior Class Banquet. The chairmanship of the committee on commencement arrangements was given to Marcia Cruse. The Gift Committee under Barbara Miles increased the fund established for the purchase of curtains for the auditorium. Ring orders were handled by Robert Palmer, and the committee that selected and distributed announcements was under the supervision of Marie Westphal. Elaine Anderson had charge of the cap and gown committee. The Senior play, directed by Robert Geoghegan, was a sample of the June, '39 student talent and it was a splendid success.

The seniors wish to thank those members of the faculty who gave their help and interest to the class in carrying out its activities.

Again a group of fine young people have graduated from Morgan Park High, never to forget the fun, companionship and education which were theirs at Empehi.

WHO'S WHO IN THE JUNE CLASS

The Senior Class chose Robert Moore as their president and they could not have found a more competent boy. He was editor-in-chief of the EMPEHI NEWS the second semester, superintendent of the VESB and was president of the 4B Class and secretary of the AYL. Robert's scholastic ability ranks with his leadership, 'nuff said.

The most honored position in the student body was held by Mary Osborne this past year, president of the S. A. She was a class officer her first three years and has worked energetically in most of the committees. Her enviable record shall long be remembered at Morgan Park.

The credit of this year's EMPEHI goes to Marcia Cruse, the editor-in-chief. Marcia's activities were not confined to work on the Annual for she was also active in the Promotion Committee, Board of Control, and the Executive Committee. She invites a successful future with her combined personality and ability.

Eugene Schobinger as Student Court Chairman held one of the most difficult student positions which he filled with dignity and success. He was active in R. O. T. C., the Executive Committee and Board of Control. Eugene could easily be termed as one of the "shining lights" of the class.

Activities

THE STUDENT ASSOCIATION

Twenty years ago the Student Association was organized for the purpose of promoting all school activities and school spirit, and to co-ordinate all activities into one unit. During the course of twenty years the Student Association has improved to a great extent in its organization and program, with the help of the faculty adviser, Captain Lorentz. This year it has been under the leadership of Mary Osborne, president; George Flanagan, 1st vice-president; Joe Greenwood, 2nd vice-president; Virginia Nichols, secretary and treasurer. The Student Court has been under the able leadership of Eugene Schobinger. The Promotion Committee was presided over by Frances Teninga the fall semester, and Robert Caine the spring semester. Donald Swanberg was the chairman of the Athletic Commission. The two honorary members were the editors of the annual and the newspaper.

"The Hit Parade" was the theme used for the membership drive in the fall semester. The spring semester, which was based on the twentieth anniversary theme, the membership cards were in the form of booklets enclosing tickets for the various attractions.

A free entertainment policy carried out by the Executive Committee included moving pictures, an "All Sports Night," Concert and Swing Bands, Variety Shows, evening and afternoon socials, and other forms of varied entertainment.

The EMPEHI newspaper and annual are distributed to members of the Student Association without cost. The membership included over 1,580 members.

This year the Student Association has been very successful in promoting athletic activities. Never before in the history of the Student Association has there been such school spirit to encourage the football and basketball teams. In addition to the re-organization of the Social Committee and the Interclass Council, an all year Clean-up Committee, for the benefit of the community and the school, was organized.

STUDENT COUNCIL

The Student Council, composed of the chairmen of the division rooms at Morgan Park High School, is the lower house in our Student Government. The chairman of the Student Council, is the Student Association president, Mary Osborne. The faculty adviser is Captain Lorentz. It is through the Student Council that the program prepared by the Executive Committee for the students, is approved. It is the council's duty to legislate for the benefit of the school.

The Student Council has proved to be of real value to the Student Association by promoting its membership, co-operating with the newly-organized Clean-up Committee, improving the conduct in the Assembly Hall, and aiding in the Safety campaign.

The Student Council meets only when there is sufficient business, and therefore has no regular time of meeting. Many helpful suggestions have been made by the members in regards to the activities of the Student Association. Through these suggestions and criticisms, the Executive Committee of the Student Association has been better able to offer to the students a great variety of entertaining assemblies, and many unusual attractions. The Student Council is an important part of the Student Government, for it is through them the Student Association is better able to contribute to the general welfare of the students.

A CAPELLA CHORUS

The A Cappella Chorus under the able leadership of Mrs. Bernice Hartle is in its fifth year as an organization of Empehi. Organized for the purpose of promoting musical appreciation and vocal harmony it continues to hold a definite phase in the school's activities.

Any student who has completed, with credit, two semesters of music is eligible for membership in this organization. There were more than 100 young people who enjoyed the privileges of this unique pursuit in music this past year.

On the last day before Christmas vacation, in keeping with the Empehi tradition, the A Cappella Chorus and the Girls' Glee Club participated in the Christmas assembly as well as singing numerous Christmas carols in the halls of the building throughout the morning. The chorus in collaboration with the other musical organizations of our school, presented the annual spring musical production at Blackwelder Hall.

The officers for the fall semester were: Robert Palmer, president; Letty Rae Huber, vice-president and Marilyn Martin, secretary. Those officers elected for the spring semester were: Nancy Story, president; Bud Tozar, vice-president; Mary Standerline, secretary, and Robert Zins, treasurer.

ANNUAL STAFF

The members of the Annual Staff did not tie themselves down to the standards set by former years when they began work on the year-book. We started work on the annual earlier than ever before with new ideas and higher aims. There has been an excited buzz coming from 315½ since the beginning of the school year, the home of our own "EMPEHI".

The staff has been unusually large this year with most enthusiastic members. Marcia Cruse, our very competent editor-in-chief, was assisted by Barbara Miles, literary editor; Betsey Morton, art editor; Art Osborne, sports editor; and Elaine Anderson, business manager. Due to the new ruling by the Board of Control the office of treasurer was added, George Stearns and Charles Wurmstedt jointly filling this position. Much of the credit of the annual should go to Mrs. Cella, our faculty adviser.

The purpose of the Annual this year was to show Morgan Park life in an informal way. The photo-staff was most obliging in helping us to carry out our plan. The write-ups have been short and snappy, the color on the pages most attractive, and our friendly little "Guppy" adds the necessary humorous touch.

The Student Association, on its 20th anniversary, joined the Staff in presenting to you the outstanding Annual of 1939!

FIRST ROW: Johnson, Custer, Stearns, Wurmstedt, Anderson, Mrs. Cella, Cruse, Miles, Morton, Osborne.
SECOND ROW: Browere, Adams, Tatge, Gillogly, Stanton, Sorgenfrei, White, Lidster, Smith, Akenhead,
Orr, Anderson, Cashman. THIRD ROW: Drake, Rupp, Pugh, Roff, Nebel, Abbott, Theile, B. Dinnsen,

AMERICAN YOUTH LEAGUE

The American Youth League has just concluded its third year as an Empehi organization, and is one of the foremost clubs in our school. Founded in 1936 by Dr. Eston V. Tubbs, the American Youth League was begun as a movement to awaken the interest of students in rights and privileges that they enjoy as citizens of the United States.

The purposes of the American Youth League are fourfold: to acquaint students with their heritage as American citizens; to encourage students to know their own country; to help students understand civic righteousness, and to create in the students a proper appreciation of what other people of the world have done by way of contributing toward human progress, culture and civilization.

For the past year, the A. Y. L. has been led by Marjorie Hall, president, Bob Dinnsen, vice-president, Robert Moore and Walter Henderson, secretaries, and Ardell Arthur, treasurer. The cabinet also includes the five committee chairmen who assist in the organization's activities.

The sales committee headed by Barbara Miles, conducted the semi-annual sale of membership cards and pins, and the sale of movie tickets for "Judge Hardy's Children." Dorothy Forsyth, heading the program committee, arranged interesting monthly meetings. Of these programs, the students most enjoyed "Crinoline and Candlelight," a play given by the cabinet in commemoration of George Washington's birthday, and the stirring movie "The River." Marilyn Martin and the expansion committee arranged spirited programs to be given in other schools. Harold Kammerer took charge of the pamphlet distribution as head of the supply committee.

Looking back on a prosperous year, and facing a bright future the American Youth League feels it is well on the way to success.

BOTANY CLUB

The Botany Club had a highly successful year during the fall and spring semester of 1938-39. Guided by the interest and helpfulness of their faculty adviser, Miss Marie Hoyler, the members succeeded in everything they attempted. Miss Hoyler kindly accepted the position in September, 1938, when it seemed as if the organization might be discontinued for a year during the sabbatical leave of its regular adviser Miss Genevieve Monsch.

The principal aim of the club during the year was, of course, to bring lovers of nature together and give them an outlet for their continued interest in botany after completing the course. Many interesting and educational meetings were planned by the program chairmen: Lucille Loving and Barbara Armstrong in the fall, and continued by June Moll and Lois Smith in the spring. A trip to the Garfield Park chrysanthemum show and a fall flower show at the school, two annual affairs, had their place in the program.

Marion Peterson led the club in its activities during the fall semester. Other officers were Betty Soderstrom, vice-president; Betty Barmore, secretary, and Dorothy Shaffer, treasurer. In the spring installation the office of president was given to Dorothy Shaffer; that of vice-president to Shirley Bolton; secretary, Gloria Bogan, and treasurer, Betty Barmore.

The Business Staff is an indispensable organization created principally to lend financial support to the EMPEHI NEWS. Through the soliciting of advertisements, sufficient revenue is raised to make possible a weekly publication of four pages.

In addition to the responsibility of distribution of the papers to the teachers and students within the school, members of the staff are appointed to handle the sending of papers to various other schools and individuals on the exchange list. The list is limited to approximately fifty subscribers.

In November representatives were sent both from the editorial and the business staff to the National Scholastic Press Association Convention in Indianapolis, Indiana. As a result several of the advertising projects suggested at the convention proved to be successful.

With the aid of Mrs. Dorothy Cella the Business Staff has been under the supervision of Elaine Anderson who acted as business manager for both fall and spring semesters. Debby Moore and Betsy Henning filled the position of assistant business manager for the fall and spring terms respectively; Jane MacKimm, as auditor for both semesters, took charge of the billing of advertisers. In the spring she was assisted by Betty Berthold. Eunice Johnson has been copy writer for both semesters and Audrey Flint, exchange manager. John Conwell, who worked last semester under the direction of Reinette Hall, took over the position of circulation manager; the second semester Jean Spence, Joanne Nicholas and Betty Orr were his associates.

COMMERCIAL CLUB

One of the most active organizations in school is the Commercial Club. It has a three fold purpose: to render service to the school not only through the Students' Exchange but by furnishing commercial work to any teacher or club; to give the students a broader aspect to the business world; to provide more social life for commercial students.

The club was organized by Mrs. Ruth Schachtlie, business manager of the club. Miss Lillian Weislander takes care of the social activities. Students taking commercial subjects are eligible to join.

Each semester the club goes on a tour. The tours for this year were to the First Continental Bank and the Monarch Food Company. Parties at school made up a majority of the social calendar.

Every semester ten per cent of the Students' Exchange earnings are donated to the general school fund. In the fall, stop watches, filing cabinets and donations to several funds were given to Empehi. Twenty-five dollars was awarded to Henrietta Fisher, a commercial student, the valedictorian of the February class.

The officers of the fall semester were: Dorothy Bloomquist, president; Jack Massey, vice-president; Katherine Lombardi, secretary; Anita Mack, treasurer, and Robert Hughes, sergeant-at-arms. The spring semester officers were: Jack Massey, president; Beatrice Stockdale, vice-president; Lois Wirtschoreck, secretary; Pearl Tatro, treasurer, and Arthur Neff, sergeant-at-arms.

EMPEHI NEWS

Once again, members of the EMPEHI NEWS staff have striven to give the students of Morgan Park high school a first class scholastic paper.

Ruth Poor took over the editor's desk in the fall of 1938 and carried on the enviable record of previous semesters. She was succeeded by Robert Moore, who led the staff through the spring semester. Both editors were aided by the help and co-operation of Miss Alma Bauman, faculty adviser, while Ruth also had the valuable help of a second adviser, Miss Mary Nealon.

As a member of the National Scholastic Press Association, EMPEHI NEWS was represented at the 17th Annual N. S. P. A. Convention at Indianapolis, Indiana, held in early November. Ruth Poor was sent by the News staff and Elaine Anderson represented the Business staff. The Annual and the Quill and Scroll chapter of Empehi also sent representatives.

In the annual writing tournament of the Greater Chicago Scholastic Press Guild, of which the EMPEHI NEWS is a member, the paper made several entries in both the submitted material and extemporaneous division. Fourteen members of the paper competed in the extemporaneous contest, held on McKinlock Campus of Northwestern University in April.

The appearance and interest of the 1939 EMPEHI NEWS was greatly enhanced by pictures, cartoons, crossword puzzles and other cuts of various types. Largely responsible for this was the Business staff, whose hard work in securing extensive advertising made it financially possible for the newspaper to use more cuts. It was under the leadership of Elaine Anderson, and Mrs. Dorothy Cella, faculty adviser.

Representatives from both Business and News staffs were sent to the Medill Press Conference at Northwestern University in Evanston.

FASHIONS OF THE HOUR

The Fashions of the Hour Club has completed its third successful year under the supervision of Miss Helen Greenfield, the club's sponsor since its organization.

Fashions of the Hour was organized to promote an interest in sewing among Morgan Park High girls. To be eligible for membership one must have had one semester of sewing and be taking the second semester. The club meets regularly on alternate Mondays in the social room.

Among the various activities of the club this past year have been to sponsor a Bow Sale and a successful movie with the A. Y. L. at the Beverly Theatre. Miss Imogene Lapp, representing the School Sewing Service of New York, gave two style shows to all Empehi girls at special assemblies, one in the fall semester and one in the spring. Members of the club modeled all the clothes shown.

Each year the girls of the sewing classes give a style show in which they model the clothes they have made. This style show was presented June 13 to both the student body and the Parent-Teacher Association.

The officers of the fall semester were Mary Carr, president; Betty Crow, vice-president; Nancy Ewing, secretary, and Thelma Donop, treasurer. Spring semester officers were Betty Crow, president; Jacqueline Berger, vice-president; Elaine Patterson, secretary, and Georgia Hough, treasurer.

LE CERCLE FRANCAIS

The purpose of Le Cercle Francais is to give the members an opportunity to become better acquainted with the customs and language of the French people.

With this aim in view the club, guided by Miss Beulah L. Kemp, holds bi-monthly meetings, which are conducted in French, and at which members take part in games and songs, and listen to interesting addresses by outside speakers. Among these guest speakers were: Miss Helen Griswold, who showed movies she had taken in France; Maurice Landis, president of the French club at Hyde Park high school, who spoke on the French Exposition; Madame Emily Starz, who at the semi-annual Mothers' Tea, spoke on French education and customs. Meetings, which gave an opportunity for creative expression, included a dramatic program and a musical program consisting of vocal solos from French operas and piano solos by French composers.

The French club presented two assemblies: first a movie, the second a sketch representing American tourists at a sidewalk cafe, being entertained by French country folk.

The officers for the fall semester were Mabel Rodger, president; Betsey Morton first vice-president; Elaine Kuehne, second vice-president; Jane Morgan, secretary; Rosalie Phillips, treasurer. For the spring semester: Elaine Kuehne, president; Frances Teninga, first vice-president; Jean Ann Murray, second vice-president; Virginia Tweed, secretary; Betsey Morton, treasurer.

F L O U N D E R S

For the benefit of bewildered freshmen, the Flounders, now one of the largest clubs in the school, was started. Miss Fischer, with the splendid co-operation of the Flounders' first president, Barbara Wallace, founded this club in the spring of 1937. The name "Flounders" which was suggested by Barbara and Mrs. Wallace means to orientate the new incoming freshmen.

The purpose of the club is to make the new members of our school feel that they have a part in the organization of our busy school and that they belong here. We also try to acquaint them with the many different clubs and organizations.

At each meeting we try to have a representative from the various clubs, The Student Court, or the Student Association to explain the functions and purposes of their individual clubs. We also have entertainment in form of freshmen talent. The playing of the accordion and piano, singing, and dramatic ability have been found among our members. Refreshments, planned by the social committee, also add to the enjoyment of all our meetings.

All members of the Student Association are eligible to become a member of the Flounders provided they are still in their freshman year. The club's membership at the present time is about eighty-five.

The officers for the fall semester were Fay Baker, president; Lois Adams, vice-president; and Frank Kunkel as secretary-treasurer. Those officers elected for the spring semester were Harry Gruener, president; Marjorie Headtler, vice-president; and Janet Clancy, secretary-treasurer.

GIRLS' GLEE CLUB

The girls have completed another successful year under the able leadership of Mrs. Bernice Hartle. The purpose of the Girls' Glee Club is to promote choral work for the better understanding of vocal harmony.

The club represents the school in vocal productions, contests, and entertainments. Any Student Association member may obtain membership in this club by passing the vocal test given by the instructor in music. One must have two credits in music exclusive of the band before she will be admitted.

During the fall semester the girls entered the city wide contest in which they sang "Children of the Moon" by Elinor Remick Warren, and "In the Bleak Midwinter" by Katherine K. Davis. In the spring semester the girls participated in the first Chicago high school music festival in which they sang "Prelude" by Landon Ronald, "Thanks Be To God" by Stanley Dickson, "My Master Hath A Garden" by Armstrong Gibbs, "Children of the Moon" by Elinor Remick Warren and "Valley of Dreams" by Percy E. Fletcher.

Officers of the fall semester were: Dorothy Forsyth, president; Mary Jayne Geary, vice-president; Mary Standerline, secretary; and Rosalie Phillips, treasurer. Those of the spring semester were: Betty Carroll, president; Mary Jayne Geary, vice-president; Mary Lamoree, secretary; and Frances Teninga, treasurer.

HUMAN RELATIONS SERVICE GUILD

The Human Relations Service Guild was organized during the fall semester from the Human Relations class and it is one of the latest clubs to be admitted to the Board of Control.

The purpose of this organization is to establish and promote charitable activities throughout the school and community. To become a member one must take the Human Relations course. The officers, Art Osborne, president; Russell Wall, vice-president; Barbara Thiele, treasurer, and Helen Wall, secretary, have worked very hard in promoting it. These students held office for two semesters because the club was not organized until late in the fall, but hereafter officers shall be elected twice a year. The membership this year has been very large amounting to about sixty in number. Mrs. Dorothy Cella is the sponsor of the club.

The Christmas Drive, the purpose of which is to collect food, old toys and clothes for needy families, and the Infantile Paralysis Drive were sponsored by this club. The drives this year have been more successful than in previous years. The Guild joined with the Clean-up Committee in the spring to help with the Annual Rose Sale.

The H. R. S. G. is comprised of a wide awake group of students and you can expect more activity from it in the future after the fine start it has made this year.

L A T I N C L U B

As one of Empehi's three language clubs, the Latin Club has a definite purpose. It is to give its members a better idea of the language and customs of the ancient Romans.

To become a member of it, a pupil must be studying third or fourth year Latin or have passed his 2B semester with the grade of 85 or better.

Each year the club raises a scholarship fund which goes to some graduating Latin student. This year a bake sale and the sale of calendars were the means used to build up the fund. A banquet is held each year, in April, to celebrate the anniversary of the club's organization and the founding of Rome. The Latin Club, along with the French and Spanish clubs, sponsored an assembly during the fall semester, at which travel movies were shown.

Miss Cora Petty, the club's adviser, has brought the club successfully through another year. There are now about fifty members. The officers for the fall semester were: Jane van Gorkom, first consul; Edward Lauerman, second consul; Edward Mortimer, scribe; Barbara Mulberry, quaestor, and Charlotte Bossi, chairman of the Ways and Means Committee. The spring semester officers were: Edward Lauerman, first consul; Nancy Gregson, second consul; Betty Headland, scribe; Edward Mortimer, quaestor, and Campbell MacNeely, chairman of the Ways and Means Committee.

FIRST ROW: Depew, Tweed, Palmer, Mulberry, Gregson, Miss Petty, Mrs. Hecht, Lauerman, Headland, Mortimer, Zarth. SECOND ROW: Davis, Wark, Domazet, Cook, Wolff, Oudshoff, Nutt, Bannon, Hoigard, Hayes, Aldrich. THIRD ROW: Forsyth, Willer, Whitman, Greattinger, Teninga, Lee, McDougal, Day, Conquest, Lipsker, Whitcomb. FOURTH ROW: Bingham, White, Clarke, Marchett, MacNeely, Crockett, Smith, Mehn, Noetzel.

CONCERT BAND

The Band, under the leadership of Captain Guy D. Hartle, has completed an eventful year. During the year they played for the majority of the assemblies presented at the school and were an eminent attraction in the school production "Encore."

In the city band contest, the Concert Band received a superior rating. In the city solo contest nine members entered and four of them received a superior rating. They were: Warren Ewert, clarinet; Jean Spence, trumpet; Shirley Skrivan and Norman Erickson, baton twirlers. They will represent us in the national solo contest.

During the fall semester, through the assistance of the Banstra Association, uniforms were purchased by the members which added to the appearance of the organization.

The Concert Band participated in the music festival which was held at the International Amphitheatre on March 28, 29, 30, 1939.

A Band member is eligible for a major letter if he has completed seven semesters and has served as an officer or librarian for one semester, or if he has won a city solo contest.

The officers during the first semester were: president, Robert Caine; vice-president, Warren Roesner; treasurer, Jean Gregory, and secretary, Helen Morton. For the second semester the officers were: president, Milton Robinson; vice-president, Warren Roesner; treasurer, Ted Hatfield; secretary, Jean Spence.

ORCHESTRA

The Orchestra, under the direction of Captain Guy D. Hartle, has been successful in giving the students an opportunity to display their talents and to give them a better appreciation and understanding of music.

Last fall the Band and Orchestra sponsored a movie at the Beverly theatre, the proceeds of which were used to buy new music and repair school instruments.

Every year the Orchestra plays at the Commencement exercises, plays in the spring production and takes an active part in the Parent-Teachers' Association meetings.

This year the Band and Orchestra played in the Chicago Public School Music Festival which was held at the International Amphitheatre, March 28, 29, 30. This was the first time that the city high schools had held such a festival.

All members of the Orchestra are eligible for a major letter after they have completed seven semesters of instrumental music.

The officers of the full semester were: Minette Bass, president; Robert von Behren, vice-president; Shirley Allison, secretary; and Ted Brashler, treasurer. The officers for the spring semester were as follows: Shirley Allison, president; Frances Spence, vice-president; Loring Cox, secretary; and Harry Plowe, treasurer.

PAN-AMERICAN CLUB

Since its recent affiliation with the Student Pan-American League, the Pan-American Club of Morgan Park has found the students have more interest in its activities. Among these are numbered the yearly sale of doughnuts, the advertising and showing of movies depicting Hispanic life and customs, and correspondence with students in other countries of the continents.

The "raison de ser" of the Pan-American League is to promote understanding, good feeling and the All-American spirit among the North and South American nations. The club was duly entered and chartered on December 8, 1938, and has since sent delegates to the regular meetings downtown and allied themselves with the league in a number of their activities.

Under the leadership of Ardell Arthur, president in the fall semester and Carl Correa in the spring semester and the guidance of Miss Mary F. Holland, the adviser, the new Pan-American society has made great strides in better understanding the need for tolerance and broadmindedness in keeping that peace on the Western continents that is so sadly lacking in Europe. The other officers for the fall semester were: Campbell MacNeely, 1st vice-president; Georgia Hough, 2nd vice-president; Mary Ann Hewes, treasurer, and Robert Dinnsen, treasurer. Those who held office in the spring were: Mary Ann Hewes, vice-president; Shirley Allison, 2nd vice-president; Louise Ecklund, secretary and Bob McGonagil, treasurer.

PEPPERS

As the third week of September of 1938 rolled around EMPEHI saw the dawn of a new club—the Peppers. Through the efforts of Bud Rantz and Olga Cibulsky a constitution was drawn up and accepted by the Board of Control. Mrs. Claribel Balsdon sponsored this organization, the aim of which is to give EMPEHI'S athletic teams moral support as they fight on the gridiron.

Fay Trolander, president; Janet Inwood, vice-president; Jane Strombeck, treasurer; and Olga Cibulsky, secretary were the club's first officers. The second semester Olga Cibulsky was elected president; Janet Hill, vice-president; Verna Leuder, treasurer; and Barbara Davis, secretary.

The girls wore white sweat shirts and dark skirts as uniforms.

Under Bud Rantz, master of drill, the Peppers gave cheers and executed drills at the gridiron games. Their little mascot, Pepper, a Yorkshire terrier, contributed his share of pep.

Since there were no football games to attend during the second semester, the main object of the club was to build up the treasury. To do this, a number of money making enterprises were held. It was during the spring semester that the club gave its first creative assembly, which consisted of talent found by the Peppers.

PHOTO STAFF AND V. E. S. B.

The photo staff of Empehi has done much to promote school interest. During the past semester the staff has taken several color movies, photographed each freshman separately for the office records, taken all of the division pictures and candid shots for the annual, done copy and printing work, photographed the S. A. entertainments, and taken pictures used by the Empehi News.

Mr. A. Royal Gay is the faculty adviser and Howard Dennis the manager.

The Visual Education Service Bureau is a newly formed department of Empehi which has charge of all visual education work in the school and all equipment is in their care.

QUILL AND SCROLL

The Morgan Park Chapter of Quill and Scroll, which is the International Honorary Society for High School Journalists, was represented at two national press conferences and entered a number of city and nation-wide contests in addition to regular school activities during the school year 1938-39.

Four club members attended the National Scholastic Press Association Convention in Indianapolis in November. Fourteen delegates attended the Seventh Annual Medill Conference at Northwestern University during spring vacation.

Contests entered included the bi-monthly contests of Quill and Scroll society, the Greater Chicago Scholastic Press Guild Association Submitted and Extemporaneous contest, and the Scholastic Magazine contest.

The biggest project each semester is the editing and sale of the EMPEHI Bulletin. It is from this sale that the club obtains all money for its treasury. The concluding event of the year was the annual press banquet held late in May.

Miss Alma Bauman is sponsor of the society.

Officers for the fall semester were Robert Headtler, president; Mabel Rodger, vice-president; Elaine Anderson, secretary; and Mary Ann Hewes, treasurer. In the spring semester the officers were president, Bonnie Jean Wells; vice-president, Elaine Anderson; secretary, Robin Robinson; and treasurer, Ruth Burnet.

STAGE CREW

Few organizations in the Morgan Park high school are so responsible for the maintenance of a high standard of efficiency and dependability as is its Stage Crew. This group, composed of young men in the high school, includes in its regular activities the maintenance of stage equipment, the programing of assemblies and stage productions, assistance of the engineering group, and is ready aid to both faculty members and members of the student body in whatever capacity they may be able. The crew may be divided into two divisions, the specialized and general groups. The first includes the electricians, technicians and their assistants. The remainder may be subdivided into two groups, the seasoned members and the "flunkies."

During the time of apprenticeship, which lasts one semester, the flunky acquires a general knowledge of stage organization and use of equipment. After this period he is known as a seasoned member actively participating in stage work and enjoying whatever privileges his fellow members may have. He may, if he so desires, specialize in the electrical work or technical work after this elementary period.

A scholastic average of "G" or better is necessary in order to join and continue as a member, most fellows joining in their freshman or sophomore year.

In summarizing, the crew should like to offer praise and appreciation to one of the few schools in the public school system to include in its extra curricular activities the maintenance of a group devoted to stage work and the betterment of the school.

ZOOLOGY CLUB

Under the very able supervision of Miss Bessie Bell, the Zoology Club has completed another successful year.

The club has over one hundred members. This organization had its two annual assemblies: an animal movie, "Wheels Across Africa," and a lecture by Mr. Bob Becker, noted dog and nature lover. Both were enthusiastically welcomed by the student body.

Regular bi-monthly meetings were held. Some interesting speakers were: Mr. A. A. Wachholz, who brought and lectured about his three prize dogs; Dr. O. D. Frank, University of Chicago professor, and Mr. A. Weygandt who spoke on "rabbit raising."

During spring vacation the Zoology Club spent two enjoyable spring days, hiking, swimming, dancing at its annual trip to Turkey Run, and Indiana State Park.

Officers of the fall semester were: Jane MacKimm, president; Jack Dinnsen, vice-president; Lorraine Teninga, secretary, and David Hill, treasurer. The officers of the spring semester were: Robert Rantz, president; Virginia Dundon, vice-president; Patsy McCune, secretary; and Betty Berthold, treasurer.

T A U E P S I L O N

Tau Epsilon, Morgan Park's honor society, was founded in March, 1924. It has had a dual purpose—to provide recognition for those students who do excellent work, and to provide an incentive for those who do average work.

Since its founding, Tau Epsilon's membership has increased five-fold, from sixty to approximately three hundred members, making it one of the largest organizations in the school. In order to become a member, a student must merit four honor points with eleven grade points and no grade below G. One point is given for each "E" or "S", and others for participation in school activities, for perfect attendance, and for service as officers of clubs and division rooms.

In the last year the society has sponsored a successful movie at the Beverly Theatre, given two assemblies and engaged in several other activities. Also, the semester awards were given to the graduating seniors who were members of Tau Epsilon for seven semesters.

Much of the club's success is due to the helpful suggestions of the faculty sponsors, Mr. Drummond, Miss Mackin, and Miss Conlan.

The officers for the fall semester were: Walter Henderson, president; Elaine Kuehne, vice-president; Warren Smith, secretary; Betty Headland, treasurer. For the spring semester they were: Virginia Dundon, president; Ted Mortimer, vice-president; Suzanne Schenk, secretary, and Richard Brashler, treasurer.

LITTLE THEATRE AND RADIO WORKSHOP

During the last few years many of our colleges and universities have entered the field of radio and some are using their own radio stations. However, until recently, it has been a bit unusual for high schools to devote time to the study of radio. But today several high schools have classes in radio; and a few have practical workshops for writing and production. Morgan Park High School, recognizing the possibilities of such work, has organized such a workshop and is devoting class time to the work of writing and producing radio programs.

Members of the Little Theatre Group are given auditions by the Radio Council of the Chicago Public Schools. The group also presents plays for school assemblies, and this year presented a play in the Music and Drama Festival.

The Little Theatre Group broadcasts once or twice a year, since the airways are the newest fields for dramatic production. Through the auditions and dramatic training many eligible voices have been discovered for professional work on the radio. These fortunate individuals have gone on after graduation, into the higher fields of learning and are already distinguishing themselves in the field of radio and the legitimate theatre.

Mrs. Harriet Hecht, instructress of this project, deserves a great deal of credit and thanks for her splendid ability in bringing out and enlarging the talents of each student.

The Radio Workshop of the Little Theatre Group went on the air over station WLS on May 13th of this year, presenting the play "Romany Chi," a one-act gypsy play arranged under the able direction of Mrs. Harriet Hecht. The music was arranged by Mrs. Bernice Hartle. Dr. Tubbs gave a short talk at the beginning of the broadcast.

It is the hope of the faculty and the student body that this organization continues their good work in radio and dramatics.

PARENT TEACHERS ASSOCIATION

Did you know the Morgan Park High School Parent and Teacher Association is one of sixty-five locals (of which seven are high schools) comprising the southwest district which covers one-fourth of the city of Chicago? The membership in our school is 604 and our membership in Illinois is 150,000, while in the entire country, it reaches about two and a quarter million.

The above simply shows the interest shown by parents and teachers in belonging to such a group whose sole purpose is to promote the welfare of students and develop a closer relationship between parents and teachers.

With this in mind a program was planned as follows: at the monthly meetings the students from Morgan Park High and Clissold Branch gave short talks on the various school activities while the teachers also gave short resumes of work being done in school. This was followed by educational and stimulating speakers. Evening community meetings were held to keep parents informed as to the changes in our school educational system. A number of informal teas were arranged for the mothers of freshmen, sophomores, juniors and seniors, followed by discussion periods in school matters. Financial support was given to other organizations active in student welfare and for our own high school needs.

The board of the 1938-39 year were as follows: Mrs. Frank H. White, Jr., president; Mrs. John S. Brantner, first vice-president; Mrs. Henry McCaw, second vice-president; Dr. Eston V. Tubbs, third vice-president; Mrs. R. A. Olsen, recording secretary; Mrs. P. Y. Dodge, corresponding secretary; and Mrs. B. E. Ellis, treasurer.

THE CLISSOLD BRANCH

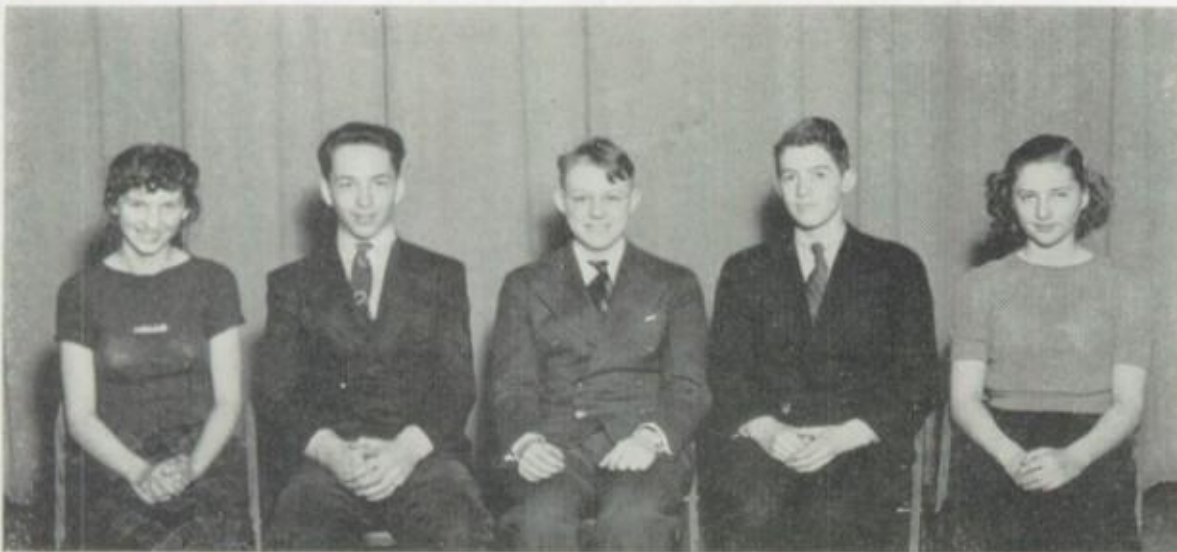

Highlights in this year's activities were the operetta "It Happened in Holland", presented during the first semester, and Youth Week activities during the second semester. These enterprises represented the concentrated efforts of the entire student body and faculty. The operetta, a money raising venture which furnished funds for the purchase of a sound movie projector, gave salesmen, craftsmen, artists, actors, and singers a chance to display their talents. Youth Week was featured by an Open House for parents. Each club exhibited its projects and conducted meetings for the benefit of guests. While the parents were enjoying a three act play "Speeding Along", the students were having one of the grandest socials of the year.

A wonderful spirit prevailed throughout the term. Many delightful socials and numerous interesting assemblies were pleasant agencies for relaxation. To mention all whose effective leadership and active support made this year an outstanding one would be impossible in this limited space. Those splendid student executives, whose ingenuity was responsible for a well balanced program of activities, and the loyal student body which make every venture a success, have set a standard of efficiency and achievement which will challenge all who follow in their footsteps.

GIRLS' GLEE CLUB

Organized a year ago, the Girls' Glee Club of the Clissold Branch is one of the various club activities offered to the students. Membership is extended to those who may have either outstanding musical talent or a desire to enjoy a pleasant year of music study.

Although the club is regularly assigned to bi-weekly meetings, the girls frequently gather for practice at times other than those on the schedule.

Under the direction of Mrs. Frances Marroy the singers have taken part in several of the school activities. Participation in the operetta, "It Happened in Holland", given during the first semester, was one of the outstanding appearances. At that time Estelle Sharpe sang the role of the Burgomaster's daughter, Lois Johnson and Carol Lasley were bewitching Dutch maidens, while other members of the club made up the chorus. A milkmaids' chorus and the gypsy maidens were particularly charming and colorful.

During the second semester the club appeared on the programs of several assemblies and for Open House night. At these events they sang groups of three-part songs.

This year, for the first time, the girls decided upon a uniform which would distinguish them as a group. White shirts and green blouses, to be worn on club days, as well as when appearing on programs, was the result of the choice.

The officers of the club are: president, Jean Pratt; vice-president, Lola Elmore; secretary-treasurer, Betty Guderyahn; accompanist, June Kohr.

RESERVE OFFICERS TRAINING CORP

The Morgan Park High School R. O. T. C. unit has, ever since its origin, been highly respected and praised for the very fine work it has done and is still doing. The unit has participated in many memorial parades, reviews, and has competed against other schools in drill and rifle competition. Each year the cadets sponsor a movie at the neighboring theatre to raise funds for various expenses that arise during the year. The cadet officers yearly sponsor a Military Ball, an event which is becoming as popular with the regular student body as it is with the cadets.

The Officers' Club and Usher Force are organizations within the R. O. T. C. The Officers' Club holds regular meetings at which they discuss certain activities in which they take part in and outside of their regular duties as well as R. O. T. C. theory. The officers of this club for the fall semester were: James Stiggleman, president; Eugene Schobinger, vice-president; George Dasher, secre-

tary; Robert Moore, treasurer; and Robert Snip, sergeant-at-arms. Those of the spring semester were: Kenneth Hohoff, president; Harold Kammerer, vice-president; Robert Snip, secretary; Chalmer Carpenter, treasurer; and Warren Roesner, sergeant-at-arms. The Usher Force officiates at all assemblies, meetings, movies, etc. The members of the Force deserve to be commended highly for their excellent work and ability in this capacity. Kenneth Hohoff headed the Usher Force during the fall semester. Robert Dodge ably took over this command during the spring semester. These two organizations have done much to keep high the standards of the R. O. T. C. during the past year.

Sergeant V. A. Dennison has, during his first year at Morgan Park, done a fine job at the post of military instructor. He has become a friend of every boy, girl, and teacher at Morgan Park. May he long remain at Empehi and continue to do as fine a job as he has this passing year.

CHEER LEADERS

Another year has slipped by in the history of Empehi's Cheerleaders. This last fall, a very successful football season, proved that the cheerleaders in "counting the score", marked up more points than any season within the last few years.

Darrel Caris and Robert Rantz were this year's co-captains. Other members of the squad were: Betty Zarth, Willis Harps, Janet Inwood, Fay Trolander, Jane Strombeck and Rita Roper.

This coming season will mark the first anniversary of the "Peppers", a new student yell section formed by the cheerleaders. Many new cheers have been added to Morgan Park's collection as a result of this new organization. Acrobatics are now included as regular routine, yet the most active cheer is still the traditional "skyrocket". Half of the squad will be back next fall, all in anticipation of the coming spirited football season.

COACHES

Robert C. Antonides came to Empehi in 1929. He coached the GREEN and WHITE squad to a city championship in 1932, just four years after his arrival.

His genial personality has won him a host of friends and the respect and loyal support of the entire student body.

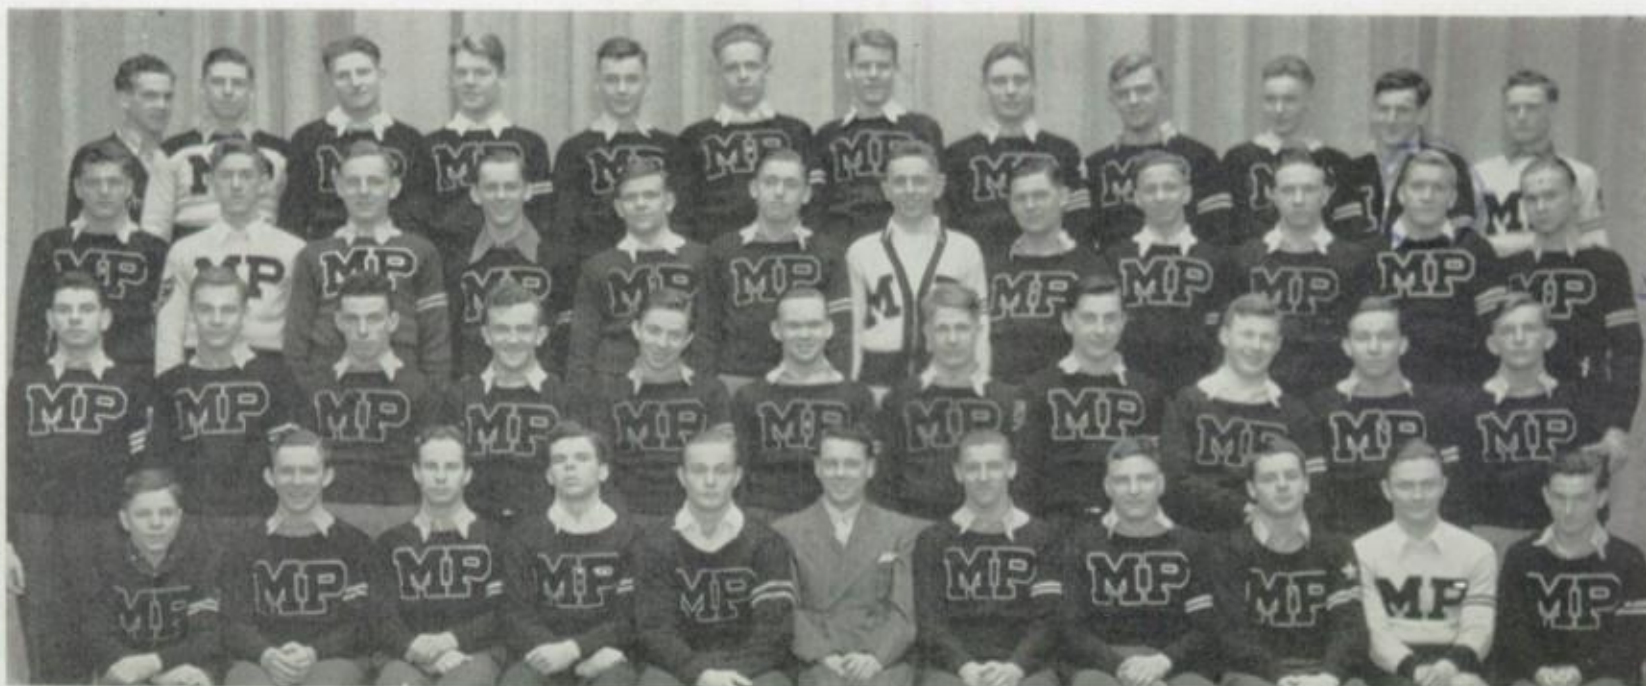

Dick Tweedie made his appearance here eleven years ago. He organized our first track team and since then he has been coaching the track, swimming, golf, and tennis teams.

Behind his pleasing personality, and friendly greeting for everyone, lies an unquestionable fairness and understanding of boys.

Tom Taylor has given the lightweight squad new spirit and pep since his arrival at the beginning of the season. His manner of approach has won him wide recognition and a winning lightweight team. Congratulations Coach, may you continue your fine work, keeping the laurels of EMPEHI at the top.

Duncan McGregor came to EMPEHI at the start of October, 1936. He has coached the heavyweight basketball and baseball teams. Strenuous workouts and continued practices have developed strong teams for competition. Coach McGregor, through these tactics, has built up teams hard to beat.

EMBLEM CLUB

The Emblem Club was reorganized in February, 1939 by a few far-seeing athletes. The ball started rolling with the election of Charles Correll as president and Robert Van Etten as treasurer. Coaches Robert Antonides and Tom Taylor are co-advisers of this organization. The purpose of the club is to promote a feeling of unity among the emblem winners. The meetings are held regularly every month. It is under the guiding hand of the cabinet which is composed of the captains of each team.

Any fellow desiring to become a member must first earn a major letter in some sport. At the present time the membership is about sixty-five. The "boys" are trying to promote their idea of taking over the athletic guard. This job was formerly done by the R. O. T. C. It consists of keeping order at any athletic contest and general handling of promotion of such an affair. The one outstanding aim of the club is to promote intramural sports throughout the school and to urge all boys, who are able, to participate in some form of athletics, thus keeping the interscholastic standing of Empehi at the top. The boys responsible for the re-organization of the club deserve a great deal of credit for undertaking such a project with the resulting success.

THE EMPEHI GRIDMEN

This year Morgan Park has again been "put on the map" through the fine playing of the football squad. Although another championship was not acquired the team rated second in the south section, which is something to write home about.

Captain Dick Thornally, one of the mainstays of the team, was honored with a place on the Chicago All-Star team, which included the suburbs around the city.

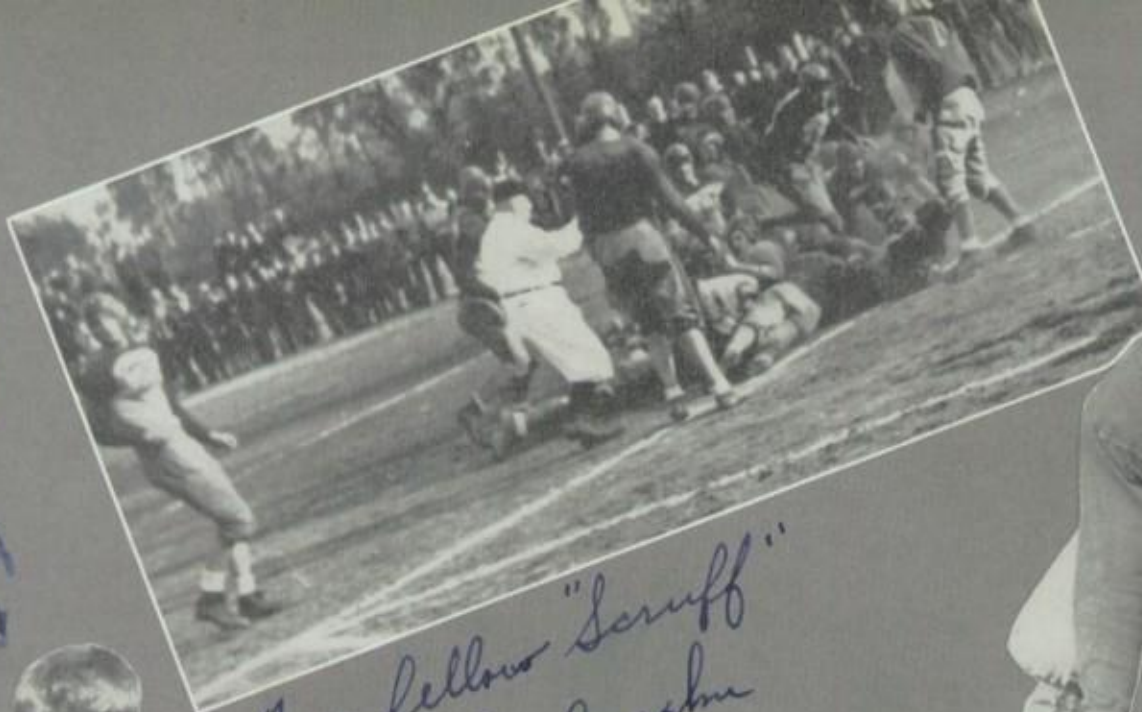

We cheered the excellent playing of such stars as: Russ Wall, a quarterback hard to beat on any team; Charles Correll, the halfback, who punted and ran many of our points; Warren Gudreyahn, the guard who crashed in and nailed his man everytime; tackle, Ray Blake, opened a hole for his running team mates; George Adams, the end who caught many bullet-like passes for large gains; Walter Schissler, the guard, injured early in the season but who played a wonderful game while able; Richard Hupe, halfback, that seemed like a brick wall on center plunges. This all sums up to a team hard to excel in any high school league.

I might mention at this point, a fellow who gained little recognition and applause, but deserves much credit, a certain Bill Thiele. Throughout the season he coached the reserve team while Coach Antonides showed the green and white regulars how to win.

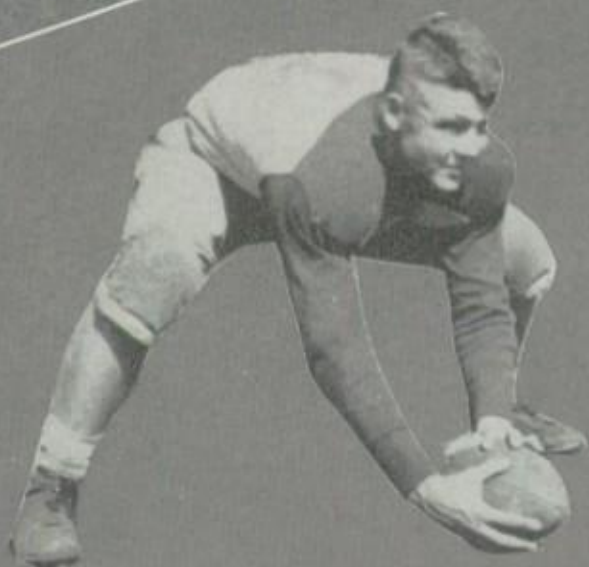

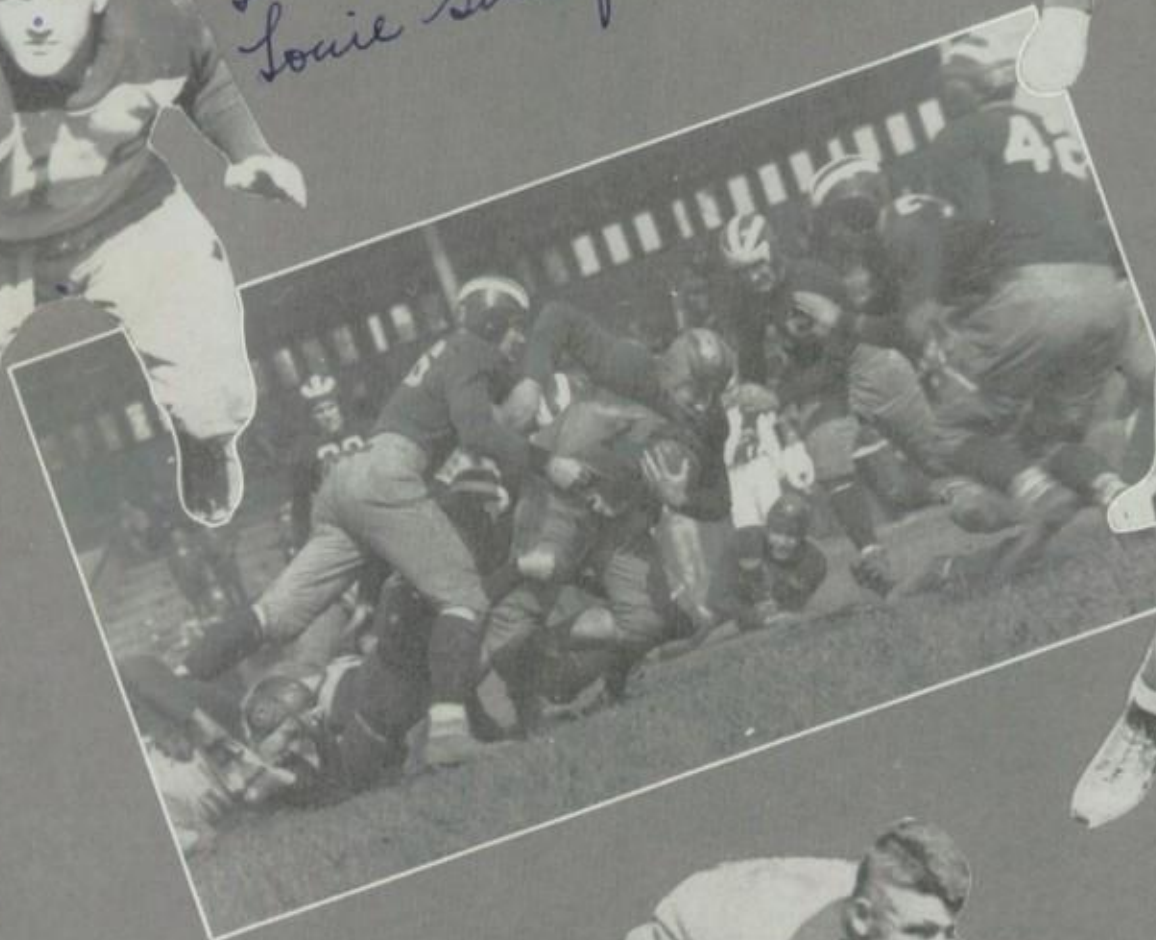

Seeing that blue ribbons are in order I would like to command Robert Moorman, manager of the football squad, along with his assistants who also were in the background but did their job well.

ONWARD MORGAN PARK

The Green and White squad started the season by defeating the Calumet eleven 7-0. Charles Correll led "our boys" with amazing feats of running, kicking, and passing. These fellows played at high gear every second of the game.

Empehi encountered Bowen next and thoroughly trounced them to the tune of 13-0. Wallace of the Clissold Branch led the victory march by scoring the two touchdowns. Hedrick ran a short pass for the point after touchdown.

Our next victim was Hirsch, and again Morgan Park administered the final blows by winning 17-0 with Correll and Hedrick scoring the points. In this contest the linesmen of our team came through and showed the onlookers what they were really able to do.

Our only defeat of the season came from Fenger, who went on to win the City Championship. The score at the end of the game stood: Fenger 34 and Morgan Park 0. Although our squad played well, Fenger's Don Griffin seemed almost uncanny in his feats of running.

We again took the victor's crown by defeating Harper, 26-6. Bob Tealander seemed to outshine the "gang" by scoring twice. In this game Russ Wall, Rich Hupe, and Charles Correll terrorized the opponents throughout the entire game.

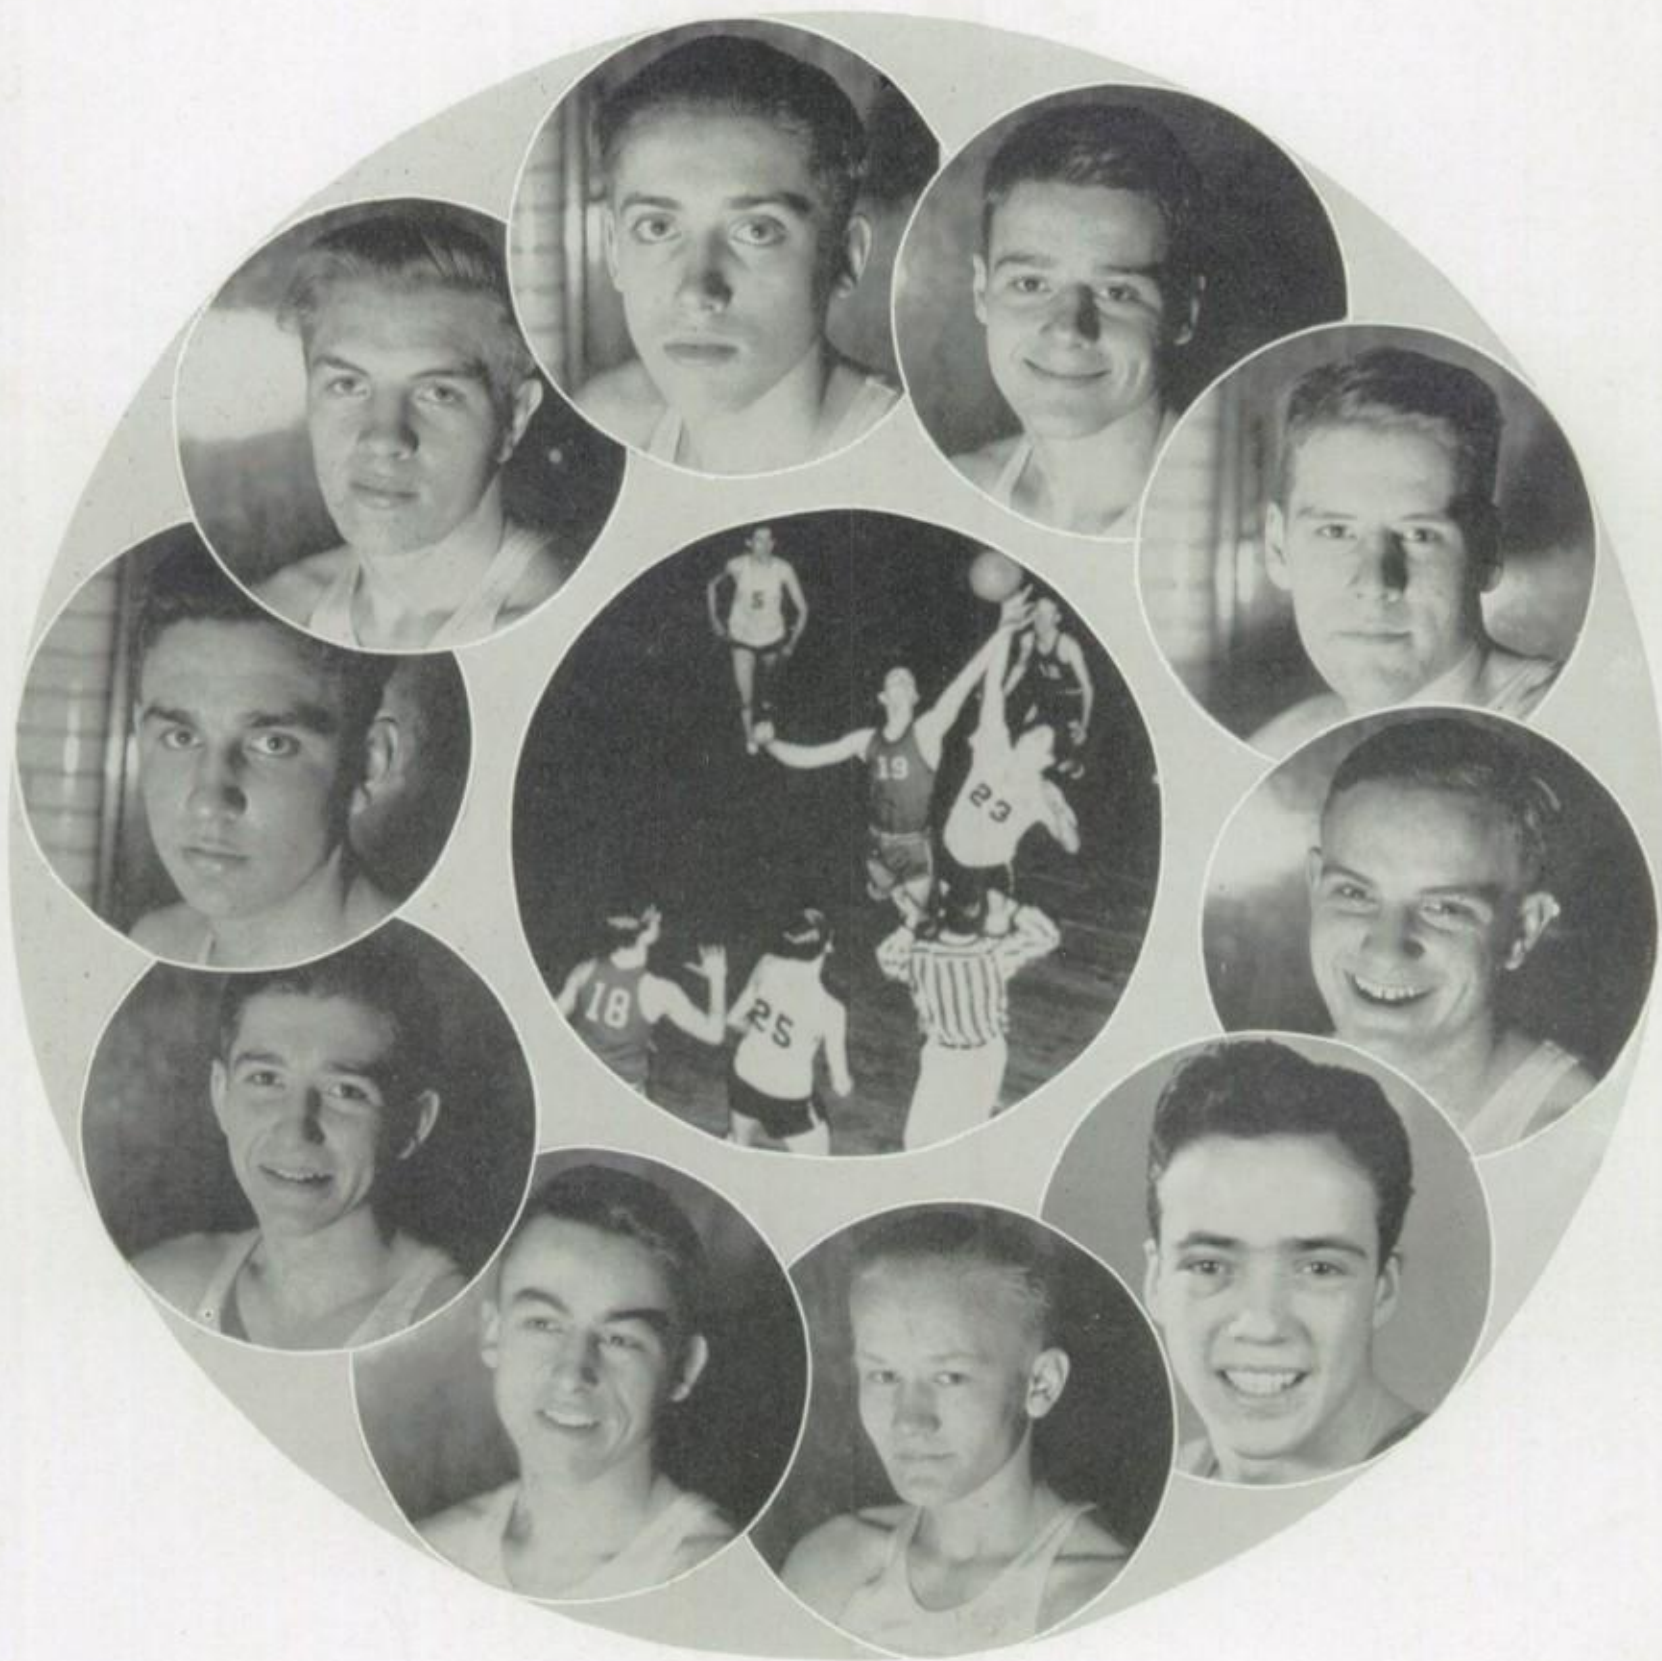

In the last game of the season the "Empehi Rangers" again struck a win on our slate by defeating the Parker eleven. Throughout the entire game both teams played an evenly matched contest. In the last quarter the Green and White squad scored a touchdown. The players who carried Empehi's banner down the field were: Russ Wall, hard smashing quarterback; Charles Correll, deer-like running halfback, and Captain Rich Thornally, the big center.

The foregoing games ended our official season with a total of five wins and one loss, putting our squad in the second position in the south section.

MEN OF THE WOOD

We salute you, both heavyweight and lightweight teams, for the sportsmanship and spirit always present throughout the entire season.

You, the men of the wood, have kept the slate of EMPEHI unmarked another successive year by clean and fair playing. Although you didn't win every game, you displayed a winner by your actions. Nice going, we know you fellows will continue this feat in years to come.

This year's heavyweight basketball team started out with a bang, but at the same time they seemed to lack the "umph" that it takes to win. Early in the season they lost Capt. Don Campbell through graduation. The team ended the season with four wins and four losses. Tom Stigall seemed to fill in the gap, and to keep the team going with his ceaseless scoring and pep. Empehi lost two players, Bob Geoghegan and John Mathers whose loss will be felt greatly in the coming season.

At the same time the lightweights finished third in the south section with five wins and three losses. The "Ponies", each and everyone, played a "bang-up" game every minute. George Stuedal, Bruce Gascoigne and Arnold Sylvestry made a trio that baffled the oncoming opponents. I might add that Arnie and George will both be missing in the line-up next year because of graduation. All in all, the entire student body shakes your hands fellas and says, "Nice Going".

BOWLING TEAM

The Rugcutters, winners of Empehi's Bowling League, gained the championship after holding first place for sixteen consecutive weeks. The team was composed of: Bill Pugh, capt. Bert Kullstrand, Ted Brashler, Bill Page, and Bud Tozer. Winning Empehi's league, the Rugcutters were automatically in the running for the city championship. In their first match of city competition Tilden was defeated two straight games. In their second scheduled game they drew a tie, and the following week triumphed over Hirsch. Due to stronger competition three games decided the winners, again Morgan Park. In the playoff for the south section, the supposedly big threat team Calumet was beaten by games of 968 and 989. In city title competition the Rugcutters were defeated two out of three games by Lane Tech who won the city championship.

WRESTLING TEAM

The matmen of EMPEHI finished in third place with seven wins and three losses. The captain of the wrestlers this year was Robert Telander who grappled at the 145 division.

Morgan Park also showed up well in the city meet with Correll, Anderson, Telander, Guderyahn and Odell. In the state meet Charles Correll won second place in the 165-pound division. The team, for the first time, matched their strength and skill with that of Morgan Park Military Academy matmen and won by a huge margin.

From all indications next year's team will excel this year's team because the majority of contenders are remaining at EMPEHI.

SWIMMING TEAMS

Under the direction of Coach Dick Tweedie and Capt. Gene Schobinger, EMPEHI'S senior swimming team has once again upheld the school's fine record. Headland, through-out his career has lost but four races in his event, the 100-yard backstroke. Henderson has been a consistent winner in the fancy diving division and in the 200-yard swim there was always keen competition between Caris, Moysey, Schobinger.

Under the co-captainship of McGonigal and Stearns, who placed first and second in their respective events in the fall city meet, the junior team has had one of its most successful years. Other mainstays of the team were: Polcock, Martig, Graef and Minard. Throughout the entire season the cooperation and good sportsmanship displayed by all was both teams' greatest asset.

BASEBALL TEAM

Empehi's baseball crew of 1939 has clicked this season like a big league team. Capt. Bernard Yursis, tall left-handed pitching ace, has led his team to victory upon victory. Chuck Correll, Empehi's great back-stop, has teamed up with Yursis as one of the best batteries in the city. A most efficient infield lends its support to Yursis, with Dick Miller holding down third base; John Skworch at shortstop; Fritz Minuth playing at second base, and Russ Hearn holding down first base. The outfield, composed of Adams, Muyners and Swanberg, have been valuable to the team all season. With a string of 5 straight wins, the team led the section until a 3-1 defeat at the hands of Parker dropped them to second place. At the time your annual went to press they had an excellent chance of winning the south section championship.

TENNIS TEAM

Morgan Park's Tennis team prospects are the best the team has seen in many years.

The racquet swingers are captained this season by Walter Michel who plays in the No. 2 position.

The mainstay of the team and playing in No. 2 position is Gardner Larned, one of the best junior players in the country.

At the time your annual went to press two doubles teams existed. The first consisted of Howard Mathis and Warren Alcott, and the second was made up of Dick Nutt and Larry Alberti.

Since the start of the season the entire team has been practicing at the Beverly Hills Tennis Club every afternoon. The "boys" are being coached by Tom Taylor, who is rounding out a team well worthy of carrying home to Empehi a tennis championship. Go to it, boys!

GOLF TEAM

This spring, with two great seasons behind them, Morgan Park's fairway crew, winners of the city golf title in '37 and runner-ups to Lane Tech in '38, gunned for their third consecutive south section crown.

Despite losing such outstanding players from last fall's troupe as Ted Brashler, Emery O'Dell and Bob Campbell, the locals, coached by Tom Taylor, at this writing looked forward to another fine year.

Although the scores did not range in the par brackets, the team presented a formidable attack with every man capable of shooting in the low eighties and high seventies. Heading the foursome was Captain John Skworch, a veteran of three seasons, who graduates. In the No. 2 spot was Roy Larson, also a June graduate. Playing No. 3 post was Bob Thierman, and at the "anchor man" position was Joe Azzarello. Ray Orwick, as first alternate, saw action in a number of matches.

TRACK TEAM

The reorganized track team of Empehi, under the able guidance of the recently appointed coach, Tom Taylor, and Captain Carl Nelson, began its spring practice for the thirty-nine season on May 1st.

The boys, led by individual stars of last year, are showing great promise and are proving themselves assets to our school as a team. Those returning from former years are Franke, Cioni, and Watson in the sprints; Nelson and Buckley return to their distant events.

The new boys out for the team will get their big chance in the City Track Trials, at the University of Chicago, on June 3rd.

The above illustration, reproduced for the first time, is a copy of a painting in the offices of the Fred Klein Company. Mr. Walter F. Klein, after much painstaking research and expense, commissioned an artist to paint this authentic composite of all the departments in an early print shop. The work was done from some of the oldest prints in existence.

The Fred Klein Company extends to its many school friends and customers an invitation to view this beautiful and authentic painting.
